	2.	Horizontal Channel Conflict: This type of conflict arises between the			
		same level in the same channel.			
		E.g . The conflict between two retailers of the same manufacturer faces			
		disparity in terms of sales target, area coverage, promotional schemes,			
		etc.			
	3.	<i>Multichannel Conflict</i> : This type of conflict arises between the different			
		market channels participating in the common sale for the same brand.			
		E.g. If a manufacturer uses two market channels, first is the official			
		website through which the products and services are sold. The second			
		channel is the traditional channel i.e. through wholesaler and retailer. If			
		the product is available at a much lower price on a website than is			
		available with the retailer, the multichannel conflict arises.			
		Managing the Channel Conflict			
	Sul	bordinate Goals: The channel partners must decide a single goal in terms
