In the following passage there are blanks, each of which has been numbered. These members are printed below the passage and against each, five words are suggested, one of which fits the blank appropriately. Find out the appropriate words.

Rural India deserves better, since the ability to pay has gone up over the last few years, driven by growth in income and penetration of government healthcare programs. Increasing demand, (21) with the failure of existing infrastructure to scale, has resulted in rural healthcare (22) a large under-served market. Absence of a viable business model (23) conversion of the huge rural expenditure on health into an economic activity that generates incomes and (24) the poor. It is this (25) that entrepreneurs are looking to plug.

21. **a. combined**                      b. mentioning                      c. engaged                      d. resulting
22. a. happening                      b. **being**                      c. exists                      d. is
23. a. makes                      b. so                      c. ceasing                      d. **prevents**
24. a. supplies                      b. lists                      c. generates                      d. **serves**
25. a. truth                      b. catastrophes                      c. **gap**                      d. progress
