

# Design of Digital Control Circuit for Power Factor Correction and Reduction of EMI in Power Converters

A Thesis Submitted to

Visvesvaraya Technological University

'Jnana Sangama', Belagavi-590 018, Karnataka, India

In partial fulfilment of the requirements for the degree of

Doctor of Philosophy

in

Electrical Engineering

by

**Naveen Kumar G.N.**

(USN: 1CR13PEN01)

Under the Guidance of

**Dr. M. Mahesh**

(Professor, Department of Electrical and Electronics Engineering, PESIT, Bengaluru)

**Research Centre**

**Department of Electronics & Communication Engineering**

132, AECS Layout, IT Park Road, Bengaluru, Karnataka, India - 560 037
