VISVESVARAYA TECHNOLOGICAL UNIVERSITY - BELAGAVI

Investigating Metal-Oxide Nanocomposites and Design of Their Interface for Efficient Pollutant Removal

Submitted By

Name: Sangeetha Ramamoorthy

Seat No: 1CR16PGJ02

Research Centre

Department of Chemistry,
CMR Institute of Technology,
Bangalore-560037, Karnataka

Under the Guidance of

Dr. Chaitanya Lekshmi Indira
Associate Professor,
Department of Chemistry,
CMR Institute of Technology,
Bangalore-560037, Karnataka

April 2022
