## IAT - 1 Answer Key June 2024 Subject Code / BUHK408 / Universal Human Values

EACH QUESTION CARRIES 1 MARK. [TOTAL:  $50 \times 1 = 50$ ] DURATION: 90 MINUTES **DEPT:** AINDS/CS(DS)

Date : 6/6/24 Sem : 4

| Health d)Prosperity and Peace  Human Life is lived at four levels: Individual, Family, and Society and  (a)Nature (b) Nurture (c) World (d) Universe  What is self –Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered  |  |  |  |  |  |  |
|---|--|--|--|--|--|--|
| What are the basic human aspirations?  a)Happiness and Prosperity b)Happiness and Respect c)Prosperity an Health d)Prosperity and Peace  Human Life is lived at four levels: Individual, Family, and Society and  (a)Nature (b) Nurture (c) World (d) Universe  What is self – Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human | One of the basic desire of every human being is to be always                   |  |  |  |  |  |
| a)Happiness and Prosperity b)Happiness and Respect c)Prosperity an Health d)Prosperity and Peace  Human Life is lived at four levels: Individual, Family, and Society and (a)Nature (b) Nurture (c) World (d) Universe  What is self –Exploration? (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part a) Participation b)Existence c)Performance d)Appearance  Value education deals with (a) What is universally valuable to all of us (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | a)sad <b>b) happy</b> c) enjoy d) laugh  |  |  |  |  |  |
| Health d)Prosperity and Peace  Human Life is lived at four levels: Individual, Family, and Society and  (a)Nature (b) Nurture (c) World (d) Universe  What is self –Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered  a)Valuable for science b)Valuable for technology c)Valuable for human   | What are the basic human aspirations?  |  |  |  |  |  |
| Human Life is lived at four levels: Individual, Family, and Society and  (a)Nature (b) Nurture (c) World (d) Universe  What is self –Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | a)Happiness and Prosperity b)Happiness and Respect c)Prosperity and            |  |  |  |  |  |
| (a) Nature (b) Nurture (c) World (d) Universe  What is self –Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b) Existence c) Performance d) Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a) Universal in nature b) Rational or logical c) Natural and verifiable d) All th above  Self-Exploration demands examination and of our belief again and agai (a) Validation (b) Presentation (c) Demonstration (d) Representation  Technology is only means to achieve what is considered a) Valuable for science b) Valuable for technology c) Valuable for humans   | Health d)Prosperity and Peace  |  |  |  |  |  |
| What is self – Exploration?  (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself  (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b) Existence c) Performance d) Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a) Universal in nature b) Rational or logical c) Natural and verifiable d) All th above  Self-Exploration demands examination and of our belief again and agai (a) Validation (b) Presentation (c) Demonstration (d) Representation  Technology is only means to achieve what is considered a) Valuable for science b) Valuable for technology c) Valuable for human  | Human Life is lived at four levels: Individual, Family, and Society and        |  |  |  |  |  |
| (a) Process of dialogue between what you are and what you really want to be (b) Process of self-evolution through self-investigation (c) Process of knowing oneself (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part a) Participation b)Existence c)Performance d)Appearance  Value education deals with (a) What is universally valuable to all of us (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for humans  | (a)Nature (b) Nurture (c) World (d) Universe                                   |  |  |  |  |  |
| (b) Process of self-evolution through self-investigation (c) Process of knowing oneself (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with (a) What is universally valuable to all of us (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | What is self –Exploration?   |  |  |  |  |  |
| (c) Process of knowing oneself (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with (a) What is universally valuable to all of us (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | (a) Process of dialogue between what you are and what you really want to be    |  |  |  |  |  |
| (d) All of the above  The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | (b) Process of self-evolution through self-investigation                       |  |  |  |  |  |
| The value of any unit in this existence is in its in the large order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai  (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered  a)Valuable for science b)Valuable for technology c)Valuable for human   | (c) Process of knowing oneself   |  |  |  |  |  |
| order of which it is part  a) Participation b)Existence c)Performance d)Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th  above  Self-Exploration demands examination andof our belief again and agai  (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered  a)Valuable for science b)Valuable for technology c)Valuable for human   | (d) All of the above   |  |  |  |  |  |
| a) Participation b) Existence c) Performance d) Appearance  Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a) Universal in nature b) Rational or logical c) Natural and verifiable d) All th  above  Self-Exploration demands examination and of our belief again and agai  (a) Validation (b) Presentation (c) Demonstration (d) Representation  Technology is only means to achieve what is considered  a) Valuable for science b) Valuable for technology c) Valuable for human   | The value of any unit in this existence is in its in the larger                |  |  |  |  |  |
| Value education deals with  (a) What is universally valuable to all of us  (b) What is conductive to our individual and collective of us  (c) Enables to be in harmony with ourselves, other and rest of nature  (d) All of the above  What are the guidelines of value education?  a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th  above  Self-Exploration demands examination andof our belief again and agai  (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered  a)Valuable for science b)Valuable for technology c)Valuable for human   | order of which it is part  |  |  |  |  |  |
| (a) What is universally valuable to all of us (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | a) Participation b)Existence c)Performance d)Appearance                        |  |  |  |  |  |
| (b) What is conductive to our individual and collective of us (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | Value education deals with   |  |  |  |  |  |
| (c) Enables to be in harmony with ourselves, other and rest of nature (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | (a) What is universally valuable to all of us                                  |  |  |  |  |  |
| (d) All of the above  What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | (b) What is conductive to our individual and collective of us                  |  |  |  |  |  |
| What are the guidelines of value education? a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | (c) Enables to be in harmony with ourselves, other and rest of nature          |  |  |  |  |  |
| a)Universal in nature b)Rational or logical c)Natural and verifiable d)All th above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | (d) All of the above   |  |  |  |  |  |
| above  Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | What are the guidelines of value education?                                    |  |  |  |  |  |
| Self-Exploration demands examination andof our belief again and agai (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human   | a)Universal in nature b)Rational or logical c)Natural and verifiable d)All the |  |  |  |  |  |
| (a) Validation (b)Presentation (c) Demonstration (d)Representation  Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | above  |  |  |  |  |  |
| Technology is only means to achieve what is considered a)Valuable for science b)Valuable for technology c)Valuable for human  | Self-Exploration demands examination andof our belief again and again          |  |  |  |  |  |
| a)Valuable for science b)Valuable for technology c)Valuable for human   | (a) Validation (b)Presentation (c) Demonstration (d)Representation             |  |  |  |  |  |
|   | Technology is only means to achieve what is considered                         |  |  |  |  |  |
| d)None of the above   | a)Valuable for science b)Valuable for technology c)Valuable for humans         |  |  |  |  |  |
|   | d)None of the above  |  |  |  |  |  |
| There is need to supplement   | There is need to supplement  |  |  |  |  |  |

| Harmony should be maintained in a)Between body and life b) Between self and body c) Between self and socie d)All the above is the basic unit of any human society (a) Group (b) Individual (c) Nature (d) Society  Natural acceptance and are the two processes of knowing. (a) Self –Actualization (b) Self-exploration (c) Self Evaluation (d)Self control  A harmonious world is created by values at 4 levels, they are a)Home, family, society and world b)Individual, family, society a nature/existence c)Individual, family, city and universe d)None of the above Value education should be universally applicable to all human beings for | ty            |
|---|---------------|
| a)Between body and life b) Between self and body c) Between self and society  (a) All the above  is the basic unit of any human society (a) Group (b) Individual (c) Nature (d) Society  Natural acceptance and are the two processes of knowing. | means physical facilities more than to satisfy my needs.  (a) Health <b>(b) Prosperity</b> (c) Happiness (d)None of above | Each human being is co-existence of the and the  |
| Which is on top order of priority for human consciousness   |  |
| a)Right understanding ,b)physical facility c)relationship   | The feeling in the self are  |
| d)physical facility and relationship with right understanding   | a) definite b) variable c) indefinite d) None  |
| prosperity means  |  |
| a)feeling of having more than required physical facility b)feeling of having less physical facility                       | The system of the body works in away   |
| C)feeling of having more physical facility than my friend d)deprived of physical  | a) Happy <b>b) Self organized</b> c) random d) Independent   |
| facility  |  |
| If something is to us, without any force or compulsion, then  | The self is In nature while body is in nature  |
| it is often correct and does not change with time and people.   | a) Unconscious, Physico-chemical b) Conscious, Physico-chemical c) self and  |
| (a) Naturally acceptable (b) pushed (c) common (d)None of above   | Body d) None   |
| Physical facilities are necessary and complete for  | Right evaluation will be on the basis of   |
| (a)Animal (b) Human being (c) Nature (d) All of the above   | a) self b) body c) wealth d) None  |
| self exploration is seeing beyond   | is the right evaluation of the other on the basis of self(I)   |
| a) Universe b) house c) box d) your senses  | a) Respect b) Reverence c) Affection d) Trust  |
|   |  |
| To be in state of is unhappiness.   | The activity of desire, thought and expecting together is called as  |
| (a) Disharmony (b) Contradiction (c) Disharmony or contradiction (d) None   | a) Body b) Health <b>c) Imagination</b> d) Future  |
| Which of following leads to variety of problems at different levels of our  | Imaging is with time   |
| living?   | a) Continuous b) discontinuous c) random d) different  |
| (a)Lack of right understanding of happiness   | is our ability to fulfill the aspiration   |
| (b) Lack of right understanding of prosperity   | a) competence b) purpose c) program d) potential   |
| (c) Lack of right understanding of happiness & prosperity   | Based on the taste, the is triggered   |
| (d) Lack of awareness towards health  | a) relation b) Thoughts c) acceptance d) Preconditioning   |
|   | When we assume something about on the prevailing notion is called  |
| Self and are different in nature, materiality, needs and  | a) knowing b) preconditioning c) sensation d) Natural acceptance   |
| activities.   | The problems in our relationship with varies entities are due to our   |
| a) Trust <b>b) Body</b> c) Belief d) None   | a) Assumptions b) misunderstanding c) relationship d) Differentiation  |
| Knowing means having the  | The requirement of body is nurturing, and right utilization.  a) desire <b>b) protection</b> c) Thought d) Expectation |
| a) Assumption <b>b) Right understanding</b> c) Right feeling d) None  | In I(self), recognizing and fulfillment depends on   |
|   | a) value b) relation <b>c) assuming</b> d) None  |
| Trust, respect and happiness etc are the needs of   | As individual people aspiring for the universal human order will be  |
|   | 1 7.5 marriada, people aspiring for the different fluindir order will be   |
|   |  |

| (a) More rich   |  |  |  |  |  |
|---|--|--|--|--|--|
| (b) More responsible socially and ecologically.                   |  |  |  |  |  |
| (c) More powerful   |  |  |  |  |  |
| (d) More well-travelled   |  |  |  |  |  |
| Right evaluation causes   |  |  |  |  |  |
| a) ego <b>b) self confidence</b> c) depression d) Preconditioning |  |  |  |  |  |
| Preconditioning is ?  |  |  |  |  |  |
| (a) Assuming without knowing(b) Knowing without Assuming(c) Only  |  |  |  |  |  |
| Assuming(d) Only Knowing  |  |  |  |  |  |
