USN	N									CCREDITE OF	**. CM TECHNOLOGY, BE TH A+ GRADE B	RIT NGALURU. Y NAAC	
	Internal Assessment Test 2 – October 2018												
Sub:	Artificial Intelligence Sub Code: 15CS562 Bra									nch: CSE			
Date:	17/10/2018 AN Duration: 90 min's Max Marks: 50 Sem / Sec: 5/ A,B An								3 And	С	OB	OBE	
		<u>A</u>	answer any	FIVE F	ULL Quest	ions_				MARKS	CO	RBT	
1 (a)	1 (a) Distinguish Non-monotonic reasoning from monotonic reasoning with an example.								an	[04]	CO2	L2	
(b)	-									[06]	CO2	L2	
	2 (a) A problem solving search can proceed either in a forward or in a backward direction. List the factors that determine the choice of direction for a particular problem.								[04]	CO2	L1		
(b)	(b) Summarize the steps used to convert propositions to clause form.									[06]	CO2	L2	
	3 (a) Consider the following sentences: 1. John likes all kinds of food, 2. Apples are food, 3. Chicken is food, 4. Anything anyone eats and isn't killed by is food, 5. Bill eats peanuts and is still alive, 6. Sue eats everything bill eats. Translate these sentences into formulas in predicate logic and prove "John likes Peanuts" using backward chaining								[06]	CO2	L3		
(b)	(b) Apply resolution technique to answer the question "What food does Sue eat?"										CO2	L3

Interpret the need of unification algorithm with an example.	[04]	CO2	L2
Define Bayes theorem and discuss about the three cases of constructing certainty	[06]	CO2	L2
factor.			
Distinguish declarative and Procedural knowledge	[04]	CO2	L2
Prove the innocence of Babbitt in the ABC crime investigation problem using	[06]	CO2	L3
JTMS.			
Identify the rules to convert the logic into PROLOG representation.	[04]	CO2	L2
Discuss about Minimalist Reasoning with an example	[06]	CO2	L2
Construct the partitioned semantic net representation for the following:	[06]	CO2	L3
Every batter hit a ball			
All the batters like the pitch			
Construct the predicate logic for the following sentences:	[04]	CO2	L3
John only likes to see French movies			
• It's safe to assume a movie is American unless explicitly told otherwise.			
The playhouse rarely shows foreign films.			
People don't do things that will cause them to be in situations that they don't like			
	factor. Distinguish declarative and Procedural knowledge Prove the innocence of Babbitt in the ABC crime investigation problem using JTMS. Identify the rules to convert the logic into PROLOG representation.
